

Important Change to how you do business with the Town of Penetanguishene

Great news! The Town of Penetanguishene will now have its' own bids&tenders site! bids&tenders is user-friendly and makes it easy for you to review, register for, and submit bids anytime and from anywhere.

How does bids&tenders work?

It's simple: create your profile, choose your payment option, check out open bids from your daily email, and start bidding!

If you are already receiving bid notifications for Penetanguishene through muniserv.bidsandtenders.ca make sure to update your account and select "Town of Penetanguishene" in the Agency List.

What does this mean for your business?

You will need to subscribe to bids&tenders to continue receiving notices about bids and responding to Penetanguishene's bid opportunities. Bonus - you get access to all North American bids on the bids&tenders platform, not just Penetanguishene!

Key transition dates for Penetanguishene:

- **MARCH 2019** - all bids will be posted exclusively on penetanguishene.bidsandtenders.ca. At this time there is no change to the existing submission process.
- All bids posted **before MARCH 2019** will still be available for viewing at: muniserv.bidsandtenders.ca

Subscribe to bids&tenders now

What you get with your bids&tenders subscription

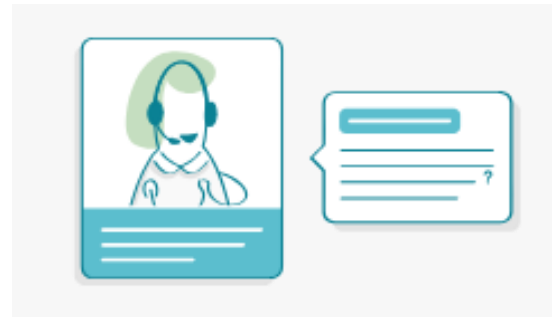

- Daily new bid notifications - curated to reflect your needs
- Bid document preview - so you know what to expect before you click 'register'
- User friendly interface - helps you improve the quality of your submissions
- Submit bids electronically - no more sitting in traffic
- Automatic updates and reminders on your bids - so you never miss a beat
- Document review - to let you know if you missed something in your submission
- And so much more!

What does it cost?

Just \$169.95 per year will get you an unlimited subscription. Bid as many times as you like with all of the organizations posting bid opportunities on our digital bidding platform.

Want to see the product in action? Learn how to create a bids&tenders account, explore the dashboard, submit a bid, and more, in this self-guided webinar.
