

Waste Collection Times

are **changing temporarily** in the Main Street Area

The Town of Penetanguishene, in conjunction with the County of Simcoe, would like to advise all residents and businesses in the Main Street area that during the reconstruction project, **solid waste collection times will begin at 6 a.m. instead of the original time of 7 a.m.** Please view map on other side for impacted properties.

This collection time modification is to allow trucks to collect in your area prior to the start of construction each collection day. In the event that specific residents and businesses are unable to comply with the advanced collection time, the Town of Penetanguishene is asking that arrangements are made with the Contractor, JB Enterprises, at (705) 331-9659 to ensure solid waste is removed.

We thank you in advance for your co-operation with this modification.

Waste Collection
